How to read this: Day-shift housekeeping is a permanent daily placement; the coordination group records only exceptions, so routine days show the *scheduled shift time (italic)* and **P** days show logged times. Late/short days are billed as present (slot filled). UT is an on-demand night shift billed hourly.

Please verify the italic (scheduled) times and the 14–15 Aug UT check-outs against the Switch app / on-site register before salary settlement. Reconstructed from WhatsApp group "Forestta cafe <> SWITCH" (24 Jul – 20 Aug 2026).

Billing: Sujit (Sec 54) 27 days + Harendar Kumar (Sec 7) 24 days @ ₹15,000/month ÷ 26 = ₹576.92/day; UT 27.0 hrs @ ₹119/hr. Total ₹32,636.07; less ₹5,000 paid; balance due ₹27,636.07. See Invoice TWL/2026-27/004.
